

Continuing work on Forest Way between Warringah Road and Adams Street from Saturday 10 November

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Roads and Maritime Services has been carrying out service relocation work, installing drainage as well as widening and upgrading Forest Way between Warringah Road and Adams Street.

Work will continue from **Saturday 10 November to Sunday 31 March 2019**, weather permitting.

The work involves:

- utility trenching, underboring and excavating
- removing redundant poles, pipes, pits and conduits
- saw cutting footpaths and driveways
- temporarily impacting access to residents' and businesses' driveways
- installing poles, pipes, pits and stringing new cable
- installing new conduits, fittings, valves and pipes
- reinstating the road surface, footpaths and driveways
- installing traffic lights
- landscaping.

Map of work location

When will we work?

Some of this work will be carried out during our standard construction hours between **7am** and **6pm** from **Monday** to **Friday**, and between **8am** and **1pm** on **Saturdays**. Due to the high volume of traffic and pedestrians in the area, some work will be carried out outside standard construction hours for safety reasons and to limit delays on the road network. This out of hours work will be carried out between **8pm** and **5am** from **Monday** to **Friday**.

Further notifications about specific work activities will be distributed as required.

How will the work affect you?

The work will require crossing driveways, which will temporarily impact access to properties along Forest Way. Impacted stakeholders will be contacted individually to make access arrangements.

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area, however there is likely to be some spill-over of light into some nearby residences.

Traffic changes

The temporary traffic changes are needed to ensure the safety of workers, motorists, cyclists and pedestrians and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Pedestrian access will be maintained at all times, although minor temporary detours may be in place.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.
